Subject: Disallowing Claims and expunging claims for
Floyd Janowski. Claim # 10327

Your honor, my name is Floyd Janowski. I have a
copy of the workers compensation award. It states on
page 10 I would continue to receive all pension benefits
and any other vested pension benefits.

They reduced my life insurance from \$7,000.00 to
\$10,000.00. a difference of \$67,000.00.

I lost my long term care that I paid for 30+ years
for a loss of \$5834.60 plus interest.

When they were not moving to different companies, I had a
5 times base salary that I paid for. However when they went
to Fidelity they would not deduct the premium, on a monthly
basis so I quit the program. I lost the premium for 30 years
plus.

And they also paid the SSI premium. which they gave
me in a \$260.00 raise, so your honor could you please get
the Trust Company to compensate me for my loss.

Thank you.

Floyd Janowski
